Chem-Dry Cares about pets & family health.

The reason why so many pet owners trust Chem-Dry to keep their homes clean and safe is that we care about the health and happiness of your pets and your family. Chem-Dry offers a unique line-up of services that meet the needs of homes with pets and deliver superior results:

Carpet & Upholstery Cleaning

Our unique Hot Carbonating Extraction (HCE) cleaning process removes an average of **98% of common household allergens** including dog and cat dander from carpets and upholstered furniture and removes an average of **89% of airborne bacteria** when a sanitizer is added.

Pet Urine & Odor Removal

P.U.R.T.®, our proprietary Pet Urine Removal Treatment, removes an average of **99.9% of pet urine odors** from carpets and, when used with our HCE process and a sanitizer, removes an average of **99.2% of bacteria** from pet urine in carpets.

Chem-Dry also supports finding a safe, happy home for all pets. That's why we're proud to be partnering with Best Friends Animal Society® and helping them raise awareness and funds to support rescue pet adoption.

REMOVES PET URINE REMOVAL TREATMENT P.U.R.T. PROFESSIONAL

CARPET & UPHOLSTERY CLEANING

PET URINE & ODOR REMOVAL

Chem-Dry Removes:*

| | | | |
|--|--|---|---|
| 98% of allergens from carpets and upholstery | 89% of airborne bacteria, improving indoor air quality | 99.9% of pet urine odors from carpets | 99.2% of bacteria from pet urine in carpets |
|--|--|---|---|

*Based on results of studies conducted by independent laboratories of Chem-Dry's HCE (Hot Carbonating Extraction) and P.U.R.T. (Pet Urine Removal Treatment) processes. Allergens tested were dog and cat dander and dust mite allergen. Pet odor results based on testing with the most common odor sources found in dog and cat urine. Pet urine bacteria results based on Chem-Dry's HCE cleaning process and a sanitizer, combined with P.U.R.T. Figures are an average across multiple tests.

Help Us Support Best Friends & Encourage Rescue Pet Adoption.

The mission of Best Friends Animal Society (BFAS) is to bring about a time when there are No More Homeless Pets. For over 30 years, BFAS has run the nation's largest sanctuary for companion animals and has built a network of animal shelters across the country that are promoting rescue pet adoption and working to reduce the number of animals entering shelters.

By purchasing a can of Chem-Dry's World Famous Spot Remover, you're helping us support rescue pet adoption across America. You can make additional donations to BFAS by visiting: www.chemdry.com/bestfriends

**Best
Friends**

Chem-Dry can help you keep your home clean and safe and your family and pets healthy.
